Dear Mr Parker.

Many thanks for your letter, enclosed a copy of B'ham Soundwaves.
Apologies for the delay in replying, its due to operating the
station with a small staff and not having a secretary.....

I hope you find the enclosed interesting and the next edition
will be available in early December.

Issue two will include details of our planned Christmas shedule
and an in depth look at other U.K. pirates plus a review of the
Community Radio campaign.

Regards
~~Karl Rogers~~
